National Defence Academy and Naval Academy Examination-II, 2015

No.7/3/2015-E.I(B) : In the Notice of National Defence Academy and Naval Academy Examination-II, 2015 published in the Employment News and uploaded on the Commission's Website on 20th June, 2015, one line has inadvertently been published at the bottom of page-1 in the Employment News which reads as:

"Government strives to have a workforce which reflects gender balance and women candidates are encouraged to apply"

2. It may be noted that in the NDA/NA Examination-II, 2015 only unmarried male candidates are allowed to write the examination and therefore the said banner line at the bottom of the Employment News which is common to all other Examinations conducted by the UPSC is not applicable in NDA/NA Examination-II, 2015.
