

Walk-in interview for the position of Project Associate in a project to be undertaken in the Centre for Climate and Environmental Studies at IISER Kolkata.

Project Title: Establishment of Nodal Center for Key Starting materials and intermediates under Therapeutic Chemicals Program

Funding Agency: DST, Government of India

Temporary position: Project Associate-I

Number of vacancy- 1

Salary- Rs 31000 +HRA per month (as applicable)

Age Limit- Must not be over 35 years as on 1st April, 2024 which can be relaxed for certain reserved categories as per rules of Government of India. Relaxation in age, educational qualifications or experience may be considered in case of exceptionally meritorious candidates.

Background of the project: The project intends to harness the potential of marine metabolites for potential therapeutics as well as intend to undertake targeted biodiscovery of marine microbes focusing on actinomycetes from biotopes representing coastal ocean of India. The position will be initially for a period of one year. The position will be extended based on satisfactory performance of the candidate. For further details about the project please write to Prof. Punyasloke Bhadury at pbhadury@iiserkol.ac.in

Qualifications: Master's degree in Natural or Agricultural Sciences/MVSc or Bachelor's degree in Engineering or Technology or Medicine from a recognized University or equivalent. Experience with conducting field sampling activities in coastal ocean biotopes or biodiscovery of microbes such as from the mangroves and GATE qualifications would be welcome.

Date of walk-in interview: 1st April, 2024.

Venue of interview: IISER Kolkata, Salt Lake Campus, Kolkata-64; Time:930 AM; Address to reach the venue can be accessed at: <https://www.iiserkol.ac.in/web/en/contact-us/address-phone-no/#gsc.tab=0>

Walk-in interview for the position of Project Associate in a project to be undertaken in the Centre for Climate and Environmental Studies at IISER Kolkata.

Project Title: Center for Marine Therapeutics (CMT)

Funding Agency: Department of Pharmaceuticals, Govt of India and Department of Science and Technology, Govt Of India

Temporary position: Project Associate-I

Number of vacancy- 1

Salary- Rs 31000 +HRA per month (as applicable)

Age Limit- Must not be over 35 years as on 1st April, 2024 which can be relaxed for certain reserved categories as per rules of Government of India. Relaxation in age, educational qualifications or experience may be considered in case of exceptionally meritorious candidates.

Background of the project: The Centre for Marine Therapeutics (CMT) intends to undertake biodiscovery of novel microbes from coastal ocean and harness the potential of these microbes for potential therapeutics. The position will be initially for a period of one year. The position will be extended based on satisfactory performance of the candidate. For further details about the project please write to Prof. Punyasloke Bhadury at pbhadury@iiserkol.ac.in

WALK-IN INTERVIEW advertisement for Project Assistant openings as part of a project to be undertaken in the Centre for Climate and Environmental Studies at IISER Kolkata.

Project Title: Mapping Biodiversity in the Upper Bhima Basin

Funding Agency: The Nature Conservancy India

Temporary position: Project Assistant

Number of vacancy- 2

Salary- Rs 28000 per month (consolidated)

Age Limit- Must not be over 35 years as on 1st April, 2024 which can be relaxed for certain reserved categories as per rules of the Government of India. Relaxation in age, educational qualifications or experience may be considered in case of exceptionally meritorious candidates.

Background of the project: Freshwater ecosystems in India play pivotal role in maintaining biodiversity, offering ecosystem services and overall well-being of human health. However, many freshwater ecosystems are reeling from multiple stress, many of which are anthropogenic in origin. To aid in the vision of Prioritisation of freshwater ecosystems of The Nature Conservancy India, a project on mapping biodiversity of the Upper Bhima Basin is to be undertaken using multifaceted approaches. The positions will be initial for two months. For further details about the project please write to Prof. Punyasloke Bhadury at pbhadury@iiserkol.ac.in

Qualifications: Master's degree in Natural Science including in the areas of Environmental Science/Ecology/Zoology/Wildlife Biology and Conservation. Proven experience conducting field sampling in freshwater ecosystems as well as field experience in mapping of wildlife biodiversity would be welcome.

Walk-in interview: 1st April, 2024

Venue of interview: IISER Kolkata, Salt Lake Campus, Kolkata-64; Time: 10 AM
