## **IITB Project Recruitment:**

Project title: RDF

About the project: Bharat-GPT: A Suite of Generative AI Tech for India" endeavors to pioneer the development of a Generative AI technology, proficient in generating nuanced, high-quality text and multimodal content across various Indian languages. This initiative was conceived under the National Mission on Interdisciplinary Cyber Physical Systems (NM-ICPS), an ambitious program launched by the Department of Science and Technology (DST) to foster technological innovation and development in India.

## **Essential Qualifications & Experience:**

PhD with minimum 4 years in AI or related fields.

## **Job Profile:**

The consultant should have a proven track record of research, with publications in top tier NLP/Speech venues such as ACL, EMNLP, TACL, interspeech etc.

The ideal candidate should have experience in managing the technical infrastructure and operational setup for Foundational Model Development, specifically on text and speech.

This role involves mentoring a team of AI researchers and engineers in generative AI projects, defining the technical roadmap and strategy for related projects and to align AI initiatives with scope for achieving business and production goals.

The candidate should possess a deep understanding of generative AI techniques, strong programming skills in python with familiarity in AI/ML libraries and knowledge of DataOps and LLMOps pipelines.

Working hours: 4 hours / day

## **Pay Details:**

Consultancy Fee: Rs. 70,000 + Travel Allowance (As per the actual expenditure) per month.

## **General information:**

The position is temporary for a period of 1 year and tenable only for the duration of the project. The appointment is for time bound project and the candidate is required to work mainly for the successful completion of the project. The selection committee may offer lower or higher designation

and lower or higher salary depending upon the experience and performance of the candidate in the interview.

Candidates called for interview will be required to attend at his/ her own expenses.
