Advertisement for Non-Teaching Staff position (On contract)

Indian Institute of Technology Bhilai was established in Chhattisgarh by the Ministry of Education in 2016. It is an Institute of National Importance and one of the third-generation IITs established by the Ministry of Education, Govt. of India. Our student intake has been steadily rising with every academic year, as have the placement percentages and the average annual CTC offered to our graduating students. Many have established successful start-up ventures, while others have opted for higher studies in prestigious universities worldwide.

IIT Bhilai invites applications from Indian nationals with excellent academic records and relevant work experience for the following position on a contract basis for one (01) year.
